FOR IMMEDIATE RELEASE

The Splash Is Back At Sun-N-Fun Lagoon

Collier County's Premier Water Park Reopens With A Ribbon Cutting Ceremony Saturday, March 8, 2025 9:15 AM

Collier County's premier water park, Sun-N-Fun Lagoon, is making waves with its highly anticipated reopening on Saturday, March 8, 2025! To commemorate the occasion, a Ribbon Cutting Ceremony will be held at 9:15 a.m., welcoming visitors back to an unforgettable aquatic adventure.

Located within North Collier Regional Park at 15000 Livingston Road, Naples, FL, Sun-N-Fun Lagoon is the ultimate destination for family fun, thrill-seekers, and water enthusiasts of all ages. With one million gallons of excitement, the park features exhilarating water slides, a relaxing lazy river, an interactive splash zone, and much more.

Following its grand reopening, Sun-N-Fun Lagoon will welcome guests daily from 10:00 a.m. to 5:00 p.m. through Sunday, March 23, 2025. After that, the park will transition to weekend-only operations from Saturday, March 29, through Sunday, May 25, 2025. Just in time for summer, Sun-N-Fun Lagoon will officially kick off its full-season schedule on Memorial Day, Monday, May 26, 2025.

Towering at 38 feet, the park's five thrilling water slides promise adrenaline-pumping action. Among them, the famous Sting Ray slide delivers the fastest and most electrifying drop, while the Sea Lion slide—the largest and most popular—sends riders spiraling down inner tubes into the 1,250-foot Lazy River. With slides ranging from 220 to 350 feet in length, every ride is a new adventure!

For those who prefer a more leisurely experience, the Lazy River offers a relaxing float with varying travel times of seven to 15 minutes, allowing guests to soak up the sun and take in the park's scenic surroundings.
